I am able to:

- Design, document and implement algorithms in procedural languages and object oriented language;
- Design and implement Web pages following W3C standards;
- Design, implement and manage Web pages with client-side applications;

Website <https://www.itiseveripadova.edu.it/> | **Field of study** Software and applications development and analysis , Database and network design and administration , Computer use , Inter-disciplinary programmes and qualifications involving Information and Communication Technologies (ICTs) | **Level in EQF** EQF level 4

PROJECTS

Informatica per gioco

My team and I were tasked with creating a game that had the Agenda 2030 as its main theme. The language used was C# and the environment was Unity. This improved my ability to work in a group and make something from scratch.

SKILLS

IT related

- **Object Oriented Programming Languages:** I am able to write codes using object oriented programming languages such as Java and Python
- **Procedural Programming Languages:** I am able to write codes using procedural programming languages such as C

Listening C1

Spoken production B2

Reading C1

Spoken interaction C1

Writing B2

Spanish

Listening A1

Spoken production A1

Reading A2

Spoken interaction A1

Writing A1

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

CERTIFICATIONS

● Security Course

I participated in a security course where I learned what safety on the job look like. Examples are safety gears, safety measures and what to do in dangerous situations and emergencies such as fires and machine malfunctions.

● Cambridge C1 Certification

The Cambridge C1 English Certification is an advanced-level English proficiency qualification that proves my skills for high-level academic and professional environments. I obtained it after passing the final exam following a 15h course.

HOBBIES AND INTERESTS

● Coding in Java

I like to use Java and Python to create codes and algorithms to optimize mundane and repetitive tasks.

● Reading

Sometimes I spend my time reading books, this allows me to improve my vocabulary and speaking ability while doing something I enjoy.

● Playing video games

PRIVACY

● GDPR

I give consent to process my data with the purpose of the recruitment process, in accordance to the Regulation of the European Parliament 679/2016, regarding the protection of natural persons and free movement of such data.
